SUBJECT: Invitation to Visit Career Trainees

1. This is to confirm our invitation to you to visit Career Trainee Class #81 on 26 July 1984 during your walk through the Office of Training and Education and to say a few words about the uniqueness and specialness of a career in CIA.

2. The Career Trainees will be in the first week of the Career Trainee Development Course, having entered on duty on 16 July. Prior to your appearance, the Career Trainees will have received an overview of the missions and functions of the CIA and the Intelligence Community and heard lectures on the nature of threats to the security of the United States. They also will have had introductory talks on some of the Intelligence Community agencies.

3. Your visit will confirm to the students the high level of interest in this program and should motivate them to perform well in their training. It will also afford them the opportunity to establish a favorable impression of Agency leadership. We hope you will be able to spend five to ten minutes with the class. We will provide you with a class roster and statistical information on the class before the date of your visit.
